Tom Arnold

Tom Arnold is an award-winning comedian, actor, writer and producer whose work extends beyond Hollywood to include numerous philanthropic efforts, including his work with Camp del Corazon. Tom truly understands what it is like to be a kid on the outside looking in and loves going to Camp each year to spend time with these amazing kids. No matter what the activity, whatever the storyline,

Tom's presence at Camp creates a different kind of magic and does more for the self-esteem of these children than words can possibly say!

Presenter

Jimmy Kimmel

Jimmy Kimmel has been a supporter and friend of Camp del Corazon for many years. Last year, he became intimately familiar with our mission when his son, Billy, was born with CHD. Billy's extraordinary Pediatric Cardiologist is Dr. Casarez, a longtime friend and doctor for Camp del Corazon. We could think of no one better to present Dr. Casarez with his much deserved honor.

Community Honoree

Michael Suby

Mike & Cindy Suby intimately know how heart disease can have an effect on the whole family, as Mike survived sudden cardiac death and two of their children have the same genetic condition. In addition to their generous support, Mike joins us each summer and eagerly jumps in with campers to share stories of living with heart disease.

Medical Honoree

Dr. Timothy Casaraz

Dr. Timothy Casarez is a partner with Pediatric Cardiology Medical Associates and a Fellow of the American College of Cardiology and American Academy of Pediatrics. His passion to serve children extends from here in Southern California, and as a Camp del Corazon referring cardiologist, to working with the Mending Kids team in Africa and South and Central America.
