To Whom It May Concern:

On behalf of Camp del Corazon, we are pleased to invite you to support the upcoming ***Heart to Heart: An Educational Symposium for Children and Families living with CHD to be held on Saturday June 17, 2017.***

Camp del Corazon was founded in 1995 with the idea of creating a place for children who are living with heart disease to feel normal, not singled out from their peers, and to be able to participate in activities that they wouldn't otherwise have the opportunity to. This summer, we hope to bring more than 350 deserving children to Camp del Corazon, in addition to our Annual Symposium and our P.A.C.E. (Progressive Adult Cardiac Experience) program for young adults with CHD transitioning into adulthood.

Camp del Corazon has been serving children and families affected by CHD for more than 21 years and is regarded as a leader in the community here in Southern California. We are expecting more than 200 parents of children with CHD to attend the symposium. Presenters for the day include some of the leading Pediatric Cardiologists in the country, who are also longtime partners with Camp del Corazon, including Dr. David Ferry, Dr. Kevin Shannon, Dr. Gregory Perens and Dr. Jamil Aboulhosn (more to be announced.)

Sample topics from 2016 included: Minimally Invasive Catheter Interventions: Will Heart Surgery Become Obsolete?; Long Term Outcomes of Your Single Ventricle; The Future of Heart Surgery; Adult Congenital Patients: Where We Are Going, CHD Nutrition and Lifestyle; CHD Kids Growing Up: Transitioning from your Pediatric Cardiologist to Your Adult Physician; Parenting a Child with CHD; Insurance and Obamacare Navigation; The Latest Information on Pacemakers, Defibrillators, and Catheter Ablations; and Pulmonary Hypertension. **2017's list of topics will be updated soon.**

We would like to invite you to participate in this esteemed event either as a sponsor or exhibitor for the day. Please refer to the attached for sponsor and exhibitor levels available. To confirm your participation and/or sponsorship, please return the enclosed Sponsor form via email to kristina@campdelcorazon.org. If you have any questions or would like to discuss the symposium in more detail, please contact us by phone at 818-754-0312.

Sincerely,

Lisa Knight, R.N.
