

Camp del Corazon Camper Waitlist Policy

- When we reach capacity for a Session, we will add a first come, first served Waitlist option on the application.
- Campers will be added to the Waitlist only if the parent portion of the application is 100% complete.
- Waitlisted campers will be offered space in the Session as they become available.
- The Camper Cardiology Form deadline is July 15th.
 - If no Cardiology Form has been received by July 15th, you will be dropped to the bottom of the waitlist.
 - If you're applying after July 15th, you will not be put on the Waitlist until both the parent and cardiology forms are completed.

While we cannot guarantee how many spaces will become available to Waitlisted campers, we strive to enroll as many as possible.
