

CAMP DEL CORAZON

Internet / Social Media Policy

Once you identify yourself as a camp volunteer in a social networking profile, website, etc., or use the camp name or logo, we require you to observe the guidelines listed below. By identifying yourself as a volunteer of our camp, everything and anything that you post or say on a site can then be seen as a reflection of camp. These guidelines have been established to protect all camp volunteers, campers and families.

- 1) As a camp volunteer staff member, I will not . . .
 - a. use the camp official logo
 - b. add a link from your group page, profile or other site to the official camp website
 - c. include text or photographs that are the property of camp
 - d. include photographs of campers
 - e. create a camp "group page" with the above items...
 - f. contact a camper or camper family
 - g. friend a camper family on facebook (under no circumstance should a counselor be friends with a current camper on facebook)... without **prior written approval** from the camp.
- 2) As a camp volunteer staff member I agree to be respectful of the camp, the campers, employees, and its volunteers in all communications in Internet sites.
This includes the following:
 - a. I will not use obscenities, profanity or vulgar language;
 - b. I will not engage in harassment or intimidation;
 - c. I will not post comments that are derogatory with regard to individual person's race, gender, religion, sexual orientation or disability;
 - d. I will not engage in sexually explicit, suggestive, humiliating or demeaning comments.
- 3) As a camp volunteer staff member I agree not to use the Internet as a medium to discuss behavior that is prohibited by camp policy, including, but not limited to alcohol or drug use, sexual behavior, delinquent behavior, destruction of property, harassment or intimidation.
- 4) I understand that I may not give my cell phone number, e-mail, weblog address or social networking site name or other contact information to a camper unless that camper has consent from his or her parent through the camp office, for that current camp season. If I am uncertain about the status of consent, I understand it is my responsibility to verify such information.
- 5) Once I identify myself as a volunteer staff member at camp, the general public may see me as an ambassador or spokesperson of camp. I understand that is therefore a condition of my acceptance that I agree to and adhere to the guidelines outlined above. I understand if any of the guidelines outlined in this measure are violated, it may result in disciplinary and/or legal action including the possibility of not being asked to return as a volunteer staff member for future camp events.
